Drone status

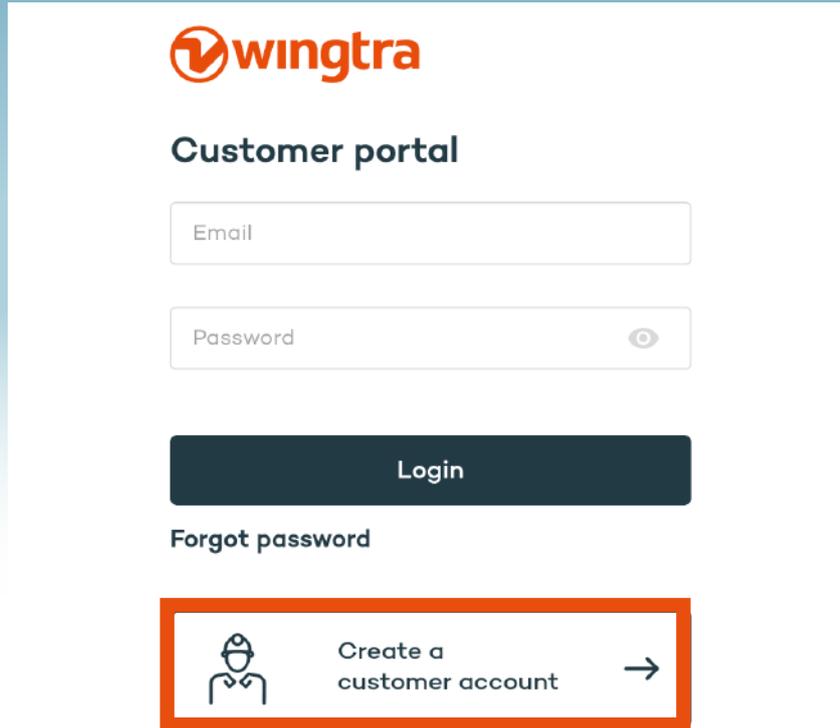

Activate your drone through your account on my.wingtra.com before proceeding.

Do it laterCheck activation status

1. WingtraPilot 2.11 버전 이상 업데이트 후 “Activate your drone” 팝업 창 활성화 확인

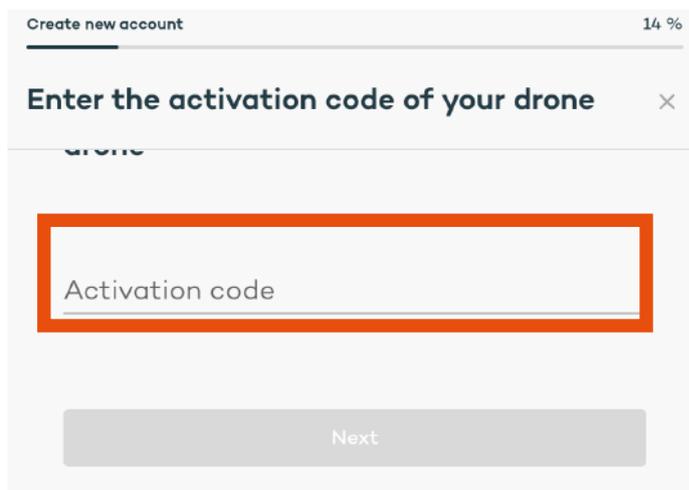

Activation 방법 안내

The image shows the Wingtra Customer portal interface. At the top is the Wingtra logo. Below it is the heading "Customer portal". There are two input fields: "Email" and "Password". Below the password field is a "Login" button. Underneath the login button is a link for "Forgot password". At the bottom, there is a button labeled "Create a customer account" with a person icon and a right-pointing arrow. This button is highlighted with a red rectangular border.

2. 웹 브라우저에서 my.wingtra.com 에서 'Create a customer account'를 선택 또는 Login을 선택하세요.

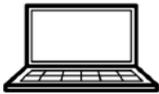

The image shows a "Create new account" screen with a progress indicator of 14%. A modal window titled "Enter the activation code of your drone" is open. Inside the modal, there is an input field labeled "Activation code" which is highlighted with a red rectangular border. Below the input field is a "Next" button.

3. 드론의 활성화 코드를 입력하세요.

Activation 방법 안내

If you are using your drone for the first time, or just updated to WingtraPilot 2.11, you must activate your drone before flying.

Activate drone now

8. 팝업에서 "Activation Drone now"를 클릭하세요.

WingtraOne 2613 - Manage your licenses. ×

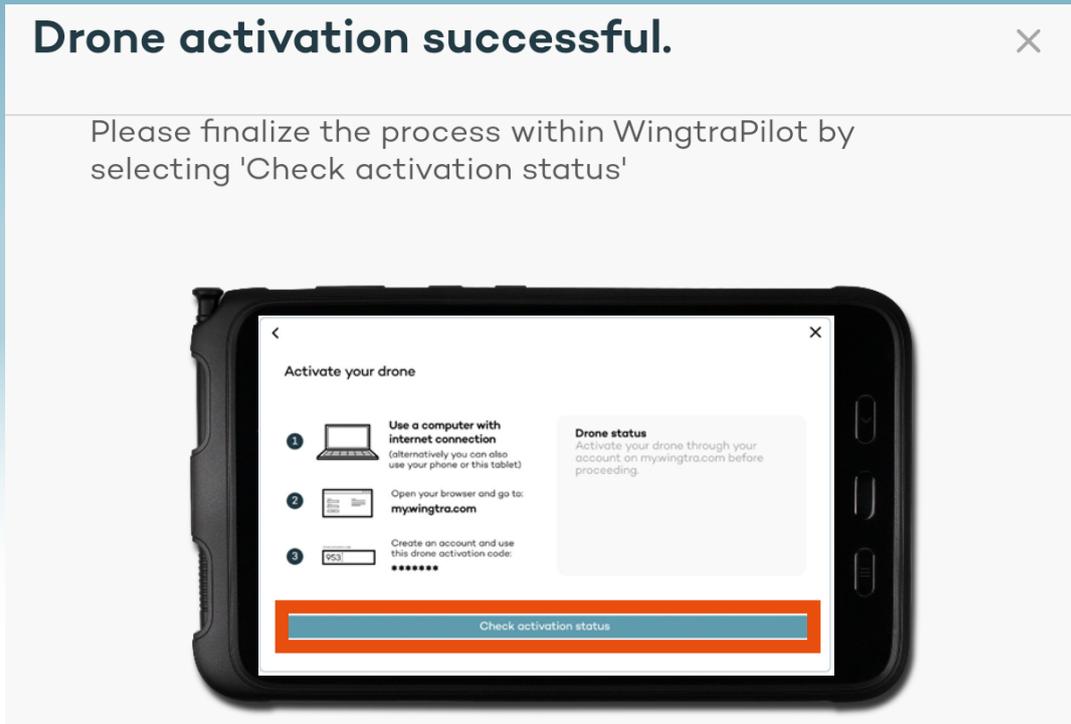

Green checkmarks indicate active licenses or those ready for activation or transfer.

Uncheck a box to remove or halt license transfer. To add a license, check the box and enter the key provided by your Wingtra vendor.

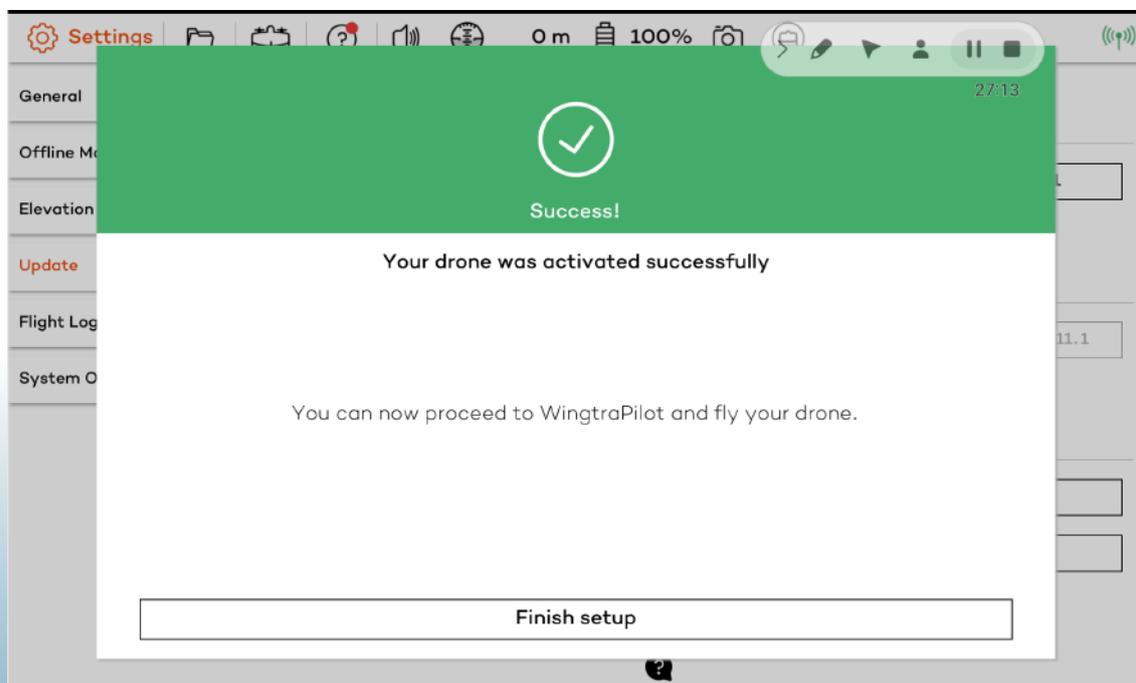

- PPK Starter
Unlock the PPK module for geo-tagging images without GCPs. This license is compatible with the Sony a6100 camera only.
- PPK Premium
Unlock the PPK module for geo-tagging images without GCPs. This license is compatible with all Wingtra payloads.
- Unlimited second-year warranty
Extends the first year's limited hardware warranty to a second year for added peace of mind.

9. 할당된 라이선스를 확인하고 "Next" 클릭해 주세요.

Activation 방법 안내

10. “Drone Activation successful” 메시지가 표시됩니다.
